RECEIVED ☆ MAY 8 1936 ☆

U. S. Department of Agriculture.

# Owing to the fact that we received so many letters of

commendation for our 1935 Catalog and because this issue so far surpassed any previous number we have put out, we are asking our friends to use this catalog in ordering for 1936. If you have mislaid your copy just drop us a line and we will forward another to you promptly. You will receive a complete list of our Iris and Peonies in our Autumn Supplement which will be sent to you about August 1st.

Following are a number of items we are offering this season that are not listed in the 1935 Catalog:

Hardy Chrysanthemum

Above plants, except as noted, are 25c each; 3 alike for 60c; 6 alike for \$1.00. \$2.00 per dozen of one kind.

Chelone glabra, Turtlehead; Snakehead

This is one of the many useful "natives" found in our Supplementary List of Native Plants. Write us for a copy. See our complete list of Hardy Ferns offered in the 1935 Catalog. You will want one of the useful collections of these Hardy Ferns attractively priced.

Shrubs or Trees must be shipped by express.

Plants or Bulbs may be shipped by express collect, of if you prefer, add 10% to cover the cost of packing necessary and postage for parcel post prepaid to all points East of the Mississippi River. West of Mississippi, add 20% extra.

#### NOTICE

Regarding small lots of assorted plants or shrubs

One to four plants of one identical kind or color will be priced at the each rate, except in the case of Perennials and Rock Rarden Plants where the rate for three of the same kind is 60 cents.

This is necessary as each different kind or color has to be wrapped and labeled separately and considerable time is required to assemble an order made up of small lots of kinds that are widely separated over the nursery.

### F. H. Horsford - Hardy Perennials - Charlotte, Vermont
